

Year 6 - Galapagos Islands Descriptive Writing

Descriptive Writing in Year 6

During this unit, we will use the arrival of Syms Covington on the Galapagos Islands as inspiration for our writing. The features of descriptive writing are:

- Personification - giving non-living objects human-like qualities
- Similes - a figure of speech comparing objects with another of a different kind
- Metaphors - a figure of speech giving qualities to an object which are not literally applicable
- Varied sentence structure - short sentences for effect, longer complex sentences for more detailed descriptive passages
