

MYLOR BRIDGE CP SCHOOL

SPORT NEWSLETTER AUTUMN 2024

The children at Mylor Bridge have been very busy this term in sport. We hope you enjoy this termly newsletter round up celebrating their achievements! At a recent meeting with the Penryn Partnership headteachers I was delighted to find out that we are the only school in the Partnership who have participated in every festival and league event this term. Thank you so much to Mrs. McGannity, Mr. Collinge and Mr. Martin who coordinate these events and to all our fantastic parent volunteer drivers.

Penryn Sports Academy

Congratulations to Martha, Jackson, Chayse, Daisy and Edward who have been selected by Mr. Bidgood to represent our school as part of the Year 6 Penryn Sports Academy.

Netball and Football Leagues

Our football and Netball teams performed very well in their league matches this year. The netball team finished the highest we have in the league for a number of years. Thank you to the parents that volunteered to coach them last year. All of this coaching has definitely paid off. Also, a thank you to Mr. Wilcox for taking the children to these events.

Multi-sports

Our year 5, year 3, Year 2 and year 1 children have all attended multi-sports festival at Penryn College and represented the school brilliantly. A huge congratulations to some of our year one children who were then selected by Penryn College to compete in the winter games final at Truro school. They did a tremendous job at the event!

Touch Rugby

The Year 5 and 6 Touch Rugby team participated in the league and showed improvement week on week.

3x3 Basketball

Some year 6 pupils represented the school at the 3x3 basketball tournament, finishing 4th over all!

Gymnastics

Members of year 5 and 6 took part in the gymnastics event at Penryn Gymnastics Centre in November. They gave up their time before school to come in and learn the required routines showing real dedication to the sport!

Swimming

16 Year 5 and 6 swimmers competed in the Partnership Gala held at Truro School.
