A Bossa Nova

Please use the accompanying **Activity Manual** for in-depth guidance, knowledge and understanding.

Unit Overview

This is a six-week Unit of Work. All the learning in this unit is focused around one song: Round And Round.

If you are using this Unit of Work as part of the **Scheme**, it has been placed in **KS1, Year 1/Ages 5-6** and is supported by Listen & Appraise documentation, One-page step-by-step / weekly Lesson Plans, and an Assessment Framework. To deliver your music lesson musically, it is very important that you follow the step-by-step planning that accompanies the on-screen resources.

If you are using this Unit of Work flexibly, you will have chosen it from the **Freestyle** options. You decide which age group it will best suit. The Freestyle approach is also supported by Full Lesson Plans, Flexible One-page step-by-step / weekly Lesson Plans, a Flexible Planning Grid and an Assessment Framework.

The Strands of Musical Learning in this Unit of Work relate to and progress towards the 'End of Key Stage Expectations (Musical Learning for the end of KS1, Year 2/Ages 6-7)' document (see supporting Assessment documentation). Your step-by-step learning focus will be the new musical activity or the strand of musical learning that needs particular attention from the previous step (see 'Introduction to Assessment'). The remainder of the activities within the lesson are ongoing skills.

Accompanying both approaches is the **Activity Manual**. This manual is a detailed teacher guide for all activities and will provide comprehensive support for all teachers.

Teaching and Learning Support for this unit:

Please use the accompanying **Activity Manual** for in-depth guidance, knowledge and understanding. There are detailed descriptions and support for each activity within each Unit of Work.

Listen and Appraise

Each step has a Listen and Appraise document for your use with all the research and information that is needed to complete the tasks and activities you see on-screen.

The main unit song is Round And Round. All musical learning will happen around this song and you will have the option to Listen and Appraise other songs in other styles in steps 2-6.

See the individual Listen and Appraise step-by-step supporting documents for complete information.

Musical Activities

A. Warm-up Games (including Vocal Warm-ups)

Have fun playing these warm-up (pulse, rhythm and pitch) games. As you progress through the Unit of Work, the activities progress according to the unit and year group.

There are six progressive challenges, one for each step within the Unit of Work.

There is one continuous track that includes four games:

Game 1 - Find the pulse, use your imagination. Choose an animal and find the pulse.

Game 2 - Listen to the rhythm and clap back.

Game 3 - It's your turn. This game is teacher-led initially so make sure you are prepared!

Game 4a - Listen and sing back with added vocal warm-ups. Use your voices to copy back this time. Use 'La' when you are singing back.

Game 4b - Listen, sing back and some different vocal warm-ups. Use your voices to copy back using 'La'.

B. Flexible Games (optional extension activity)

These games are optional, flexible extension activities with Bronze, Silver and Gold Challenges.

These differentiated challenges are NOT a measure of attainment but about building musical skills in a fun and challenging way. All three games tracks are available here to be progressed through over the 6-step learning episode. You may want to revisit, for example, the Bronze Challenge to embed skills even if you have completed it and moved to Silver. The progression is in-built.

C. Learn to Sing the Song: Vocal Warm-ups and Singing

You may have already warmed up your voices in the previous activity but there are more vocal warm-ups, should you wish to use them, in the Song Centre.

On the screen you will have the option to break the song down into manageable learning sections. There is also a tempo controller that will slow the song down to aid learning.

Add movement to the song and have fun. Let the children use their imaginations to choreograph movement to the song.

D. Play Instruments with the Song: With or Without Notation

On the screen you will see animated glocks and recorders playing easy and medium differentiated parts by ear. Please **do** play the easy and medium parts on the glock if you have no recorder experience. The sheet music tab on your resource will give you access to three differentiated parts for all band/orchestral instruments. These notated parts can be shown on screen if you are teaching a KS2/Age 7-11 class.

The notes you will be using on glockenspiel are:

Easy part - C, D and F

Medium part - D, E, F, G and A

(See instrumental parts for other band/orchestral instruments).

This section of the unit is designed for you to rehearse the instrumental parts. You will rehearse these parts with the section of the song that you will play over when you perform the song as a whole. There will be an option to play your instruments in each of the 6 styles.

E. Improvise with the Song: Using your Voices and Instruments

These activities have in-built progression for you to follow according to the unit, year group and Key Stage. Work through the challenges as suggested on the One-page Lesson Plan.

On the screen you can select your activity:
